North Area Community Policing News – PS Crawford Laing

With the Festive period fast approaching I would like to appeal to people to ensure that they take care of themselves and others when on nights out. Alcohol is often a factor in putting ourselves and others at risk and so moderating alcohol consumption can go a long way to keeping ourselves safe. Don't become separated from friends when out and plan ahead in relation to getting home.....always have a Plan B!

Winter weather can be challenging when out on the roads. Making sure that your car is well maintained will help reduce the risk of problems during your journey and having a few items (food, water, phone charger) in the car in case of emergency is always a good idea.

The Festive period can be a challenging time for some however there are organisations out there that can help.

was arrested at this premises. A report has been sent to the Procurator Fiscal and this was widely reported in local and national news outlets.

We would like to remind readers of this document that this type of criminality is not only attributed to disused premises but also to premises owned and rented out by unsuspecting landlords and we would ask all persons who own such premises to thoroughly complete their due diligence before renting buildings to anyone, particularly if the rent is agreed as cash payments.

A number of stop and searches were also conducted in identified hotspot area where drugs misuse was prevalent across the Scottish Borders.

Serious and organised crime impacts local communities across the Borders and anyone with information on criminal activity are asked to contact Police Scotland on 101, report it at any Police Station or report it anonymously via the Crime Stoppers Charity.

CAT Update

MMW REPORT:

ROAD SAFETY – SBCAT have continued carrying out road checks in numerous locations in the Scottish Borders.

On the 18th of November CAT officers completed a joint static road check with traffic officers. One driver failed the roadside drug test and was arrested. Another had his vehicle seized as it was in a dangerous state of repair.

Speed checks have been completed in several towns near to schools along with foot patrols looking for parking issues at drop off and pick up times, including Newcastleton.

PARKING TICKETS – Officers have been carrying out high visibility enforcement across the Borders and addressing parking concerns there.

Passing attention was given to Galashiels, Selkirk, Kelso and Duns.

RURAL ACQUISITIVE CRIME – We carry out high visibility mobile patrols across rural areas at varying times while completing static road checks. A number of static road checks were completed this month

On the 13th of November the CAT took part in Operation Checkpoint. This is an operation across the North and England and South of Scotland targeting cross border rural acquisitive crime. Several vehicles were stopped but no offences were detected.

ANTISOCIAL BEHAVIOUR – High visibility patrols have continued in targeted areas of the Scottish Borders to address concerns highlighted as per our taskings. This includes outside Jedburgh Sheriff Court on Monday court days.

In response to the ongoing ASB in Burnfoot at Morrison's on Mart Street in Hawick the CAT have been doing plain clothes patrols on the after-school bus from Mart Street up to Burnfoot. During one of these patrols on the 13th of November officers witnessed youths shouting abuse at a family with disabilities. Upon trying to stop the youths they ran off the bus and after a foot chase they stopped them. The youth shouting the abuse was taken home to his parents and he was reported via the vulnerable persons database for a disability hate crime.

During the evening of Saturday 23rd of November CAT officers attended several calls in Hawick and Newtown St Boswells for youths throwing snowballs at homes of vulnerable people. Although the youths made off from police, many were identified and their details were passed to the ASB unit.

As we enter the festive season we have increased our checks of licensed premises especially on Friday and Saturday evenings over the last month.

OFFICIAL

PROTECTING VULNERABLE PEOPLE – During the previous month several priority arrest warrants were issued by the courts in Jedburgh and Selkirk. These were for individuals who pose a risk to their ex-partners or the public. These are allocated to the CAT to ensure they are arrested as quickly as possible. 3 have been arrested by the CAT this month. With several others handing themselves in after the CAT made enquiries with their family, friends or employer.

DRUG ENFORCEMENT –

On the 12th of November the SBCAT conducted an MDA search in Kelso along with response officers. Unknown tablets were recovered along with a personal amount of cannabis.

On the 21st of November the SBCAT joined a team of over 30 officers from across the South of Scotland and Cumbria Police. This was to execute a series of MDA search warrants in the Borders as part of an enquiry which has taken years to investigate and was targeting a male involved in serious and organised crime. About an hour later the male was traced by 2 of the CAT and arrested. They subsequently found that he was found to be in possession of 5kg of cannabis. The quick arrest prevented him from destroying any evidence.
